

ALLIED DRUM PICK UP POLICY For USA

ALLIED offers a drum pick-up service operated through our Contract Blenders.

Pickup is limited to the exact location that the drums were supplied via that Contract Blender and delivered on their transport.

Specifically, unless ALLIED'S Contract Blender delivers said drum(s) directly, we cannot provide pick-up services for empty drums.

To qualify each drum must:

- Be empty
- Have both bungs fitted
- Be readily accessible
- Not contain any contaminants (waste ink/solvent etc)
- Be structurally sound
- Originally have contained ALLIED material.

Drum pick up does NOT include:

- Plastic Drums (Fountain Solution/Alcohol Replacements)
- Drums supplied via Common Carrier.
- Drums from other suppliers.

For drums not covered by our pick-up policy the following may prove useful:

Reusable Industrial Packaging Association (RIPA)
