DAILY AR

Alcohol Replacement Additive

Product Overview

Daily AR is an economically priced alcohol replacement. When added with a high quality wet fountain solution, will allow for a total replacement of alcohol.

Daily AR reduces the surface tension of water to that of 20-25% alcohol. A positive side effect is that Daily AR will reduce or eliminate blanket piling.

Product Benefits

- Usable with any fountain solution
- Economical price
- Reduces surface tension to that of 20-25% alcohol
- Reduces or Eliminates Blanket Piling
- Allows wide latitude of wetting
- For use on sheet-fed or web equipment

Recommendations for Use

Dosage: add to 3 ounces per gallon of mixed fountain solution.

If more wetting is needed add more Daily AR in increments of ½ ounce per gallon of mixed fountain solution.
