

***WE HAVE SEEN THE LIGHT , YOU WILL TOO!
WHEN PRINTING IPA FREE WITH ALLIED HIGH FIDELITY FOUNT!***

- *Hi Fi Fount replaces higher V.O.C. two part fountain solution and alcohol replacements*
- *Replaces IPA, no flammable storage required*
- *Reduces airborne odors and contaminants*
- *Superior wetting, low Dynamic Surface Tension ensures a flatter water film across the press*
- *Reduced solvent content means less emulsification better gloss, faster drying*

If you use high V.O.C. two part fountain solution or alcohol - come see the light
