

ABW-68

Automatic blanket wash

Product Overview

While **ABW-68** was built for automatic blanket cleaning systems, it is a premium blanket and roller wash for all applications. It quickly and efficiently lifts and removes inks and other contaminants from blankets and rollers. **ABW-68** has a low odor, a flash point of 145°, is water miscible, and leaves no residue behind.

Product Benefits

- Flash point of 145°.
- Excellent wash for automatic blanket wash systems.
- Can be used by hand.
- Good cutting power for total cleaning.
- Low odor; leaves no residue.

Recommendations for Use

For automatic blanket wash systems: use as you would any other automatic blanket wash.

As a roller wash: pour a liberal amount over inking rollers adding more if necessary. Engage washup attachment. If desired, add 10–25% water along with **ABW-68** in a washup bottle.

As a blanket wash: pour a liberal amount onto a clean shop towel. Wipe entire blanket with a side-to-side motion.
