BLITZ

Medium/Fast Dry Blanket and Roller Wash

Product Overview

Blitz is produced using premium raw materials and it does what the name implies - Blitzes off ink and other contaminants from blankets and rollers.

Blitz is for the printer who needs a medium/fast dry wash.

Blitz cleans blankets and rollers thoroughly and quickly while removing excess surfactant build up with-in the ink roller train. Surfactant build up in the rollers can cause different print related issues. One of these is, inks can get water logged as to excess water will be attracted to the rollers and infused into the ink.

Product Benefits

- Low odor
- Non water miscible
- Ideal for all presses
- Does not leave a residue on rollers or blankets.
- Cleans off inks and surfactant residue left on ink rollers from fountain solutions

Recommendations for Use

Roller Wash: - pour a liberal amount over inking rollers adding more if necessary to loosen inks, engage wash-up attachment to remove.

Blanket Wash: - pour a liberal amount onto a clean shop towel. Wipe entire blanket with a side-to-side motion.
