COMMAND KLENE

Water Blanket and Roller Wash

Product Overview

Command Klene is a fast acting blanket and roller wash that lifts and removes ink, paper and lint coatings. Available in water miscible (WM) and non-water miscible (NWM)

Product Benefits

- Penetrates to clean and remove inks and contaminates.
- Will not leave a greasy residue on blankets and rollers
- If using WM version, add up to 25% water to remove water-soluble contaminates.
- Removes solvent and water based surfactant build up from rollers.
- Low odor with medium evaporation.
- Gives rollers and blankets longer life span.
- No drag when cleaning large blankets.
-

Recommendations for Use

Use as any other solvent-based blanket and roller wash. May be used both manually and in automatic wash-up systems. If using water miscible version, add up to 25% water and shake well to form a milky white emulsion
