SOLVENT 100

Blanket and Roller Wash

Product Overview

Solvent 100 is an every day blanket and roller wash, a good basic cleaner which will lift and remove ink from blankets and rollers.

Solvent 100 does not contain surfactants, which can build up in the ink roller train and cause water logging, stripping or blinding of plate image. Helps pull excess surfactants out of the rollers, which can cause water fluctuation during press runs.

Product Benefits

- Cleans ingrained ink pigments effectively.
- Does not leave behind a greasy residue.
- Removes surfactants from rollers, reducing emulsification issues
- No harsh odors.

Recommendations for Use

As a blanket wash:-

Pour a liberal amount onto a shop towel or sponge and wipe.
Work over entire blanket surface using a side-to-side motion.

As a roller wash:-

Pour a liberal amount onto the ink roller train.
Allow to work in, adding more if necessary.
Engage wash-up device or wash-up blade.
Finish wash-up as normal.
