

UV PLUS II

Concentrated Ultra Violet Ink Wash

Product Overview

Allied spent a considerable amount of time looking at the components of various U.V. washes and found in many cases other UV washed removed certain colors better than others which meant multiple washing and wasted time.

Allied UV PLUSII is made with no filler solvents which is the reason it acts quickly.

UV PLUS II is a powerful deep penetrating. Blanketing and roller wash that removes all colors quickly and saves wash up time.

Product Benefits

- Removes all colors quickly
- Deep cleans rollers and blankets.
- No need to wash twice.
- Not as detrimental to rollers and blankets as many washes.

Recommendations for Use

Roller Wash:- pour a liberal amount over inking rollers adding more if necessary, engage wash-up attachment.

Blanket Wash:- pour a liberal amount onto a clean shop towel. Wipe entire blanket with a side-to-side motion.
